Pakenham (5th) vs. Craigieburn (1st)

Meetings this season

R3: Pakenham 100 def Craigieburn 97
R9: Craigieburn 85 def Pakenham 78

From the Coaches

Pakenham (Brent Russell)

Wow what a week last week going down to the wire and coming out with the win up in Mildura no one thought we could do it but the 27 supporters and players we had up there thought we could. We now move on to the semis against a tough opponent in Craigieburn. Craigieburn quietly took the league by storm and made big moves and securing top spot. We know they are fresh having the week off and we have given everything at training this week to prep ourselves for this tough contest. Best of 3 series now no one and done so we need to execute and focus on both ends of the floor. Hopefully we can change our home court curse and have a win but I know Craigieburn will make us work for it. All the best to both teams in this. This is what finals basketball is about.

Simon Wilson (Craigieburn)

There is a lot of respect between both sides and we know have a tough challenge ahead in Pakenham. We are excited to play in the semi-finals and take on a very talented side, especially given that they are back to full strength after sometime. I am proud of how the team and completed this season but we will need another gear to get this done!
