

# RD 1 - PREVIEW

## YOUTH LEAGUE ONE WOMEN

And we are back...boy was that a long off-season or what?

We kick off the season with new comers Chelsea Gulls who finished their 2016 season off with a championship in Youth League Two Women, after upsetting (now fellow YL1W counterparts) Keilor. The Gulls will be taking on the Cougars who will be hoping to start their season off with the win.

Camberwell will be hoping to show Werribee that 2017 will be an improvement on last season; no doubt Werribee will be out to prove that they have not lost their touch from last year after knocking off top ranked team Warrandyte in the semi final to make the grand final from 4<sup>th</sup> on the ladder.

We wind up Saturday night's games in Craigieburn where they will be battling it out with new comers from VYCW Geelong. Craigieburn will be hoping to redeem their season last year with a big win to show Geelong YL1W isn't for the faint of heart. Geelong will be out to stamp their authority and show why they were a VYCW team in the past and make the jump back up to the league's top flight immediately. A round one victory will certainly show their intentions.

Sunday we have last year's top of the table team Warrandyte, who recorded that upset loss in the semi final matching up with last year's Youth League Two Women's runners-up Keilor. Both teams will have plenty to prove after being strong competitors in their respective divisions last season. Can the Thunder make the jump?

To finish round 1 Coburg host Corio Bay who last year didn't have the best of year's in 2016 but will be looking to redeem themselves with a win first up. Coburg will be looking for a top 4 finish again this year and will want to show what they can do early on to make sure other associations don't underestimate them.

Who is going to show they are here for the title in 2017? It all starts here!
