

# GF GAME 1 - RECAP

## MOLTEN VICTORIAN YOUTH CHAMPIONSHIP WOMEN

### Ringwood 47 def. by Sandringham 61

Sandringham has made it very difficult for Ringwood, taking game one of their grand final series. The Sabres managed to win every quarter but the last, however only lost that final period by a point.

Ella Batish (14pts & 13rebs) and Cassie Hill (14pts & 5rebs) dominated the inside for Sandringham. Piper Goldie (14pts & 4asts) and Keli Romas (11pts, 5rebs, 4stls, and 3blks) were the best for the Hawks.

The statistics were damning for Ringwood, losing most categories. They took 17 less shots than their opposition and lost the rebound count by a whopping 32. Bench scoring was also a problem, with the Sabres second unit dominating 34-6.

It was indeed a scrappy affair, however Sandringham managed to come up big when they needed. Not once did they drop the lead, being in front for all but the first 20 seconds of the game.

Rob Dielemans and his coaching staff will now look to make some tactical changes. They will be hoping a week on the track means they can win back-to-back games at Sandringham and claim the title. On the other hand, Jo Wood and her players will have two opportunities to be crowned the best side of 2017.

Game on!
