

Gators 94 - Supercats 67: Arguably Shepparton's best win often season, the home team upstaged Geelong, holding them to a score way below what they've recently been delivering. Justin Patton (31pts) stamped his class in the win as the Gators ran rings around the Supercats. Best for the visitors was Lewis Varley (16pts). It would have been a very quiet drive back home.

Thunder 86 - Energy 69: Another win for Keilor as their dream start rolls on. A 51-27 run through the middle quarters blew this game open with Chuck Long (24pts, 13rbs) and Jordan Coleman (20pts) leading the charge for the winners. Once again everything for the Energy was left to Deondre McWhorter (31pts, 18rbs), while Kourtlin Jackson was held to 13pts on 3/17 shooting. A lack of points off the Energy bench is a growing concern.

Seahawks 91 - Jets 82: A timely win for Warrnambool, though they didn't have it all their own way and needed a 30-14 third period to gain a winning edge. Xavier Blount (23pts) and Jay Rantall (20pts) entertained the home crowd, especially with team dropping 15/27 triples at a 55% clip, while for the Jets it was Javari Williams (17pts) leading five players in double digits.

Black Angels 91 - Thoroughbreds 67: You rarely get a bad performance from Melb Uni, win or lose they are always honest in their effort and against the lowly Thoroughbreds that effort resulted in a big win. Liam Norton (27pts) dominated for the home team, while Nick Masunda dropped 16pts off the bench. For Melton, Ivan Harris scored 23pts in a 40min performance.

Gulls 86 - Cougars 83: Little separated Chelsea and Keysborough in what was a very entertaining game. In a tight last quarter, the Gulls hit 6/6 from the charity stripe in the last 21 seconds to claim victory. Corey Standerfer (26pts, 18rs), Matt Brassler (21pts) and Ben Jacobson (18pts) delivered the goods for the home team, while Keysie was best served by Jonny Kloester (22pts), Dan Biber (19pts) and Ben Morwood (18pts). The absence of Calvin Enge was a telling blow for the Cougars.

Steelers 54 - Thunder 68: It was tighter than they would have liked, but Keilor soldiered on with a tough win on the road. Staggeringly, Western Port put up 26 more shots for the game, but a lowly 29% shooting clip proved costly. Jordan Coleman (23pts) completed a great weekend for the Thunder, while for the Steelers it was Kade Marra (22pts) keeping the scoreboard ticking over.

Vikings 87 - Venom 86: Warrandyte somehow snatched defeat from the jaws of victory, seemingly on the way to a win against the unbeaten Vikings until everything went south down the stretch. The home team went on a 34-17 run over the final 10 minutes, including a 24-10 run in the final six minutes. It was a win the Venom deserved, but they couldn't stop Blackburn's late burst. Jack Roberts (21pts) and Sam Cass (19pts) came up big when it most mattered to overshadow all the great work Andy Clough (25pts) and David Moore (17pts, 14rbs) had done for the Venom.
