

A ground-breaking defeat by Craigieburn was the highlight of round 8, which otherwise delivered expected results.

It was anticipated the team would lose their match against the impressive team from Wallan, however they managed to take home a comfortable 16-point margin win. Craigieburn's Bailey -Lynn, Stewart and Campbell were stand outs for the team, racking up 47-points and 26 rebounds between them. Both defensively and offensively they carried the team to this exceptional win. Wallan's Scott was a force to be reckoned with, answering the tough competition with 21-points of her own.

Collingwood defeated North East in a nail biting clash. North East was so close to over throwing Collingwood who sit just one place above them on the ladder. Storer was great for North East with 13-points, 12 rebounds and 5 assists, as were team mates Hales and Northey. Collingwood's Badon had a fantastic individual performance with 23 points, and a notable 4 steals.

Blackburn defeated Keysborough by a solid 20-points. Shanahan was arguably the strongest on the court with 14 rebounds, 4 assists, 2 steals, and 11-points.

In other news, (with no surprise) Warrnambool remain undefeated. This time they upset Mornington with an 11-point win. Wormald was Warrnambools stand-out bagging 24-points. Mckenzie had a phenomenal game for Mornington with 22 rebounds, 5 stelas and 18 points.

Coburg continued their hot-streak efforts, coming out victorious against Melbourne Uni. Once again Applewhaite dominated 23-points, however Hall (17pts 10rbds) and Conroy (21pts) were just as influential.

Finally, Melbourne Uni shared the workload and smashed Altona in the final game of the round with an 88-23 final score.
