

U16 AGE INDEMNIFICATION FORM

MINIMUM AGE REQUIREMENTS

The Big V has a minimum age in all divisions that a player must turn at least 14 years of age during the year in which the player seeks to register as per Rules of Operation 5.2 (h).

The minimum age requirement is in place for the best interests of the league and to ensure the safety of all competing players and a positive competition experience for all players.

Any team that plays a player under this minimum age will be deemed to have played an ineligible player and the match will be forfeited and the club liable to a fine.

AGED 16 OR YOUNGER - BIG V INDEMNIFICATION FORM REQUIREMENT

As per Rules of Operation 5.2 (i), in addition to the registration by the player, the parent or guardian of a player who is 16 years of age or younger at the commencement of the season must complete this Indemnification form and sign in the presence of the Association delegate.

The completion of the league Indemnification Form prior to the player playing is a mandatory administration requirement and fines will be issued for non compliance.

Parents and Players should be aware that:

- Junior players will be consistently exposed to older and physically stronger athletes.
- Junior players will often be traveling, training and playing in an adult environment.
- The parent and player are aware that the Big V is a senior competition (youth development stream 23/u and elite senior stream is open age).

Indemnification agreement:

I indemnify Basketball Victoria Inc. as operators of the Big V league and the league member club named here against any suit, action, demand or proceeding for any injury, incident, event or happening which my child or any other person might have arising out of my child's involvement in playing in the Big V (which includes the act of playing or any involvement by the child whilst he/she is with the team) which is attributable to the fact that he/she is under 16 years of age.

I acknowledge the league's statements in relation to the allowance for juniors (turning 14 years or older during that year) and have discussed with the club the circumstances under which my child will be playing, training and traveling. I acknowledge that there may be greater risk of injury as a result of my child playing in a senior competition. Notwithstanding that greater risk, I consent to my child playing in those circumstances.

I acknowledge and accept that my child is playing with Players who are over the age of 18 years. I understand and accept that my child is forbidden from being involved in activities that adults are allowed to be involved in. I accept that the club has advised me of that fact. I accept the club and their representatives will take all reasonable and proper steps to prevent my child from being involved in adult activities. I accept that all responsibility in respect to my child traveling, playing, training and being involved with the team is my responsibility and that I should take reasonable and proper care in respect to my child.
